Good Afternoon Miguel...

Nice to see you at today's Joint Meeting. The BID community looks forward to a meeting with you to discuss details of how we might work together to improve our community's sidewalks. We anticipate that some improvements, clarifications, or changes to the existing proposal as we understand it would be desirable. We look forward to scheduling a meeting as soon as possible. Thank you.

Good Morning Miguel...

We spoke sometime ago after your first presentation to a number of City Council committees about the proposed Sidewalk Repair Program. We thought it would be beneficial for all to get together and discuss possible ways in which the LA BID community could participate in refining that proposal but agreed to hold-off scheduling anything definite until after July.

Since you and I talked, the LA BID Consortium has formed a committee that would like to meet with you.

Are there some meeting times that might work for you, which I can communicate with the committee members?

We look forward to seeing you soon.
